+----- 1) PUBLISH -----+

Beginning post-processing of request 4082756 on node ORAAPPS at 09-MAY-2012 15:45:09.

Post-processing of request 4082756 failed at 09-MAY-2012 17:08:30 with the error message:

The Output Post-processor is running but has not picked up this request.

No further attempts will be made to post-process this request, and the request will be marked with Warning status.

Setting the profile option Concurrent: OPP Response Timeout to a higher value may be necessary.

+-----+

+----- 2) PRINT -----+

Not printing the output of this request because post-processing failed.

+-----+

Finished executing request completion options.

+-----+

Concurrent request completed
